The purpose of this letter is to notify you that EPA ID No **NVR000080655** has been assigned to the facility located at **14900 Bango Rd, Fallon, NV, 89406**.

Business referred to: Best Energy LLC, Bango Facility, 14900 Bango Rd, Fallon, NV, 89406.
Activity Status: Used Oil Re-refiner

This EPA ID number is site-specific and is to be used for the regulated RCRA hazardous waste activity at the above site only. If there are any changes to the information regarding the above site, you should notify the Nevada Division of Environmental Protection by submitting a new Form 8700-12.

EPA ID numbers are site specific and cannot be transferred to a new physical location. If your facility moves to a new location, do not use the EPA ID number **14900 Bango Rd, Fallon, NV, 89406**. You can obtain an EPA ID for the new location by submitting an 8700-12 for the new location.

If RCRA hazardous waste activity at this site stops because of closure or change of location, you should send a letter requesting deactivation of the EPA ID number. The letter should be on company letterhead and include the following information regarding this location: The EPA ID number to be deactivated, name of facility, location or address of facility, the date that regulated waste activity stopped and an original ink signature

Please contact me at (775) 687-9464 if you have any questions regarding this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Alene Coulson".
